Hello,

I would like to introduce you to the following company, GM Enterprises at 114 Ladd Hill Rd, Belmont, NH 03220-3018. Gene Morrissette has an excellent operation of helping people to earn income. I have just gotten involved and thus far all I'm doing is making money. I'm ecstatic with the company.

*The Flyer doesn't tell you everything about this great new program called '240 Plus'. It doesn't tell you that when you receive your welcome package that you'll be able to sign up two people in your first or second day. It doesn't tell you that you will receive **Your first check for \$100.00** in your welcome package even before you sign up your first two people. And signing up two people is so easy because you will be offering them an immediate profit of \$40.00, even before they talk to anyone. Most people who show this letter have their two or more people ready to sign up even before they receive their package. You'll have the check in hand to prove it, so don't cash the check before you sign up at least two persons. They will want to sign up two people as soon as they get their welcome packages, because they'll want to keep receiving \$40.00 every month, month after month. Truth is, some people will refer 10 - 20 people. How many will you refer at \$40.00 profit for each one. And you'll be shown how you can **double** your money.*

All that is required is to secure (refer) 2 new members....that's it...it's sooo easy You will already have gotten paid for doing this even before you do it. Now that's what I call trust. And in this economy everyone can use a little extra cash, your Mother, your Father, your Sister, your Brother, your Grandmother and Grandfather, your spouse, your kids (18 or older), your cousins, your friends. You get a report everytime you sponsor someone, so you'll always know how many you sponsored and who they are. There are more surprises that you'll find out about once you are a member....so what are you waiting for....join today and send Gene \$60.00 and he will send you your first check for \$100.00, an immediate \$40.00 profit. You might call this our stimulus plan, our own little bail out.

I know you can do well with this. Don't pass up your chance to make a little extra money every month. I hope to be the person to have referred you to such a dynamic program and in turn I'm sure you can and will refer many yourself.

Thank you,

Jerry
